### **Late breaking news - deadline to get involved - August 1 2005**

**The Pearl Academy** of Watertown, MA ([www.thepearlacademy.com](http://www.thepearlacademy.com)) is an organization that provides after school chess programs for schools and recreation centers in the Boston area.

**The Pearl Academy is looking for a few chess teachers** to teach after school (Grades K-5) in **Needham**, starting this fall. Classes are one hour long (either 2:45 - 3:45 pm or 3:15-4:15 pm) and are held once a week for 10 weeks. Minimum pay is \$50 per class.

**Potential instructors must be rated at least 1600 and speak fluent English. Having a car is highly desirable.**

**Interested teachers should contact Joe Perl as soon as possible, preferably before August 1.** Joe will need to meet all interested teachers before August 5. He can be reached by email ([perlchess AT aol.com](mailto:perlchess@att.net)) or by phone at 781-704-7047.

The Pearl Academy has similar programs in **Andover** and in **Winchester** and is likely to have more classes in other areas in the Spring as well.
