MCC Summer Vacation Swiss - 5 Rds!

Even if you're working this month, you can still have a vacation at the club on Tuesday evenings. Rounds at 7:30 pm, Aug. 1, 8, 15, 22, 29. Three sections: Open, U1750, U1400. Registration ends at 7:20 pm on August 1. Arrive early, relax, and spend time looking over the books for sale.

Igor Foygel Lecture

Many thanks to Igor for his July 18 lecture on the middle game and for going over games with players in the skittles room! This was a great opportunity for players to learn 'from the master'. But if you missed out, don't despair, you'll have more opportunities this month. See the adjacent panel and the Calendar section for details.

3 More Lectures

We are very fortunate to have three more talks scheduled for August! For the round 2 weekly Group Lesson, **David Harris** will present tactics in the opening and early middle game. Then **Igor Foygel** will return for round 3 as the guest lecturer to continue his discussion of typical middle game positions. Finally, David will host the round 4 lesson where he will lecture on tactics in the middle game.

From the Editor

We have a shorter than usual newsletter this month, as I am shortly taking off for a painting vacation in Maine. I won't forget my chess set and books, though!

A great big "thank you" to Jim Krycka and Mark Kaprielian for their ongoing work on the newsletter. Jim puts together the entire tournament section, starting after the Club Calendar, while Mark creates the files needed for PDF and web publishing. It may not take a village to publish a newsletter, but it sure takes more than one person.
