MetroWest CC Needs Volunteers!

From Mark Kaprielian, President

There is always a need for Volunteers... The Club is run as a volunteer organization with no paid positions. It is the responsibility of the Club members to support and assist in the running of the Club. While the membership does elect a board of directors to guide the policies of the organization, the board of directors must rely upon the membership to carry out the week to week tasks necessary for the club to function.

There is an immediate need for volunteers to help with the set-up, take-down or both **of the DGT electronic boards** which collect and broadcast the games our website. We would like to expand the number of boards to a second row of tables but we won't do that until we have a well-established pool of people to manage the boards we have.

There are many ways, both great and small in which you can help the club. For an overview of these ways, please visit the Volunteer page on the web site.

Please contact me if you would like to discuss how you may be able to help the club by volunteering.
