Club relocation status:

The negotiations for the space on Fountain street in Framingham reached an impasse so we had to walk away from the deal. The final sticking point was over assuring us any minimum acceptable occupancy number once the space was completed. With a refusal to agree to any number being placed in the agreement we could not accept the risk of the not having the capacity we

would need for our activities at the site.

We are going to resume looking for a space to lease. The top sites we had previously identified for renting all have issues we are not yet willing accept that we must compromise on.

I project that we will remain at our current location till at least the first of next year.
