## Monthly Event:

This month's event is a five week tournament.

Due to the constraints of our playing site, all events at our current location are:

G/60; d5 dual-rated

Registration closes at 7:20 pm. If you arrive after that you may not be paired. We will be more strict than usual in applying the deadline due to having to exit the building promptly at 10:00 pm.

Last month new fee structures and prizes went into effect:

- Members entry fee: \$35, Non-Members \$45
- Club Membership: \$50 no special discounts
- Prize fund increased to be \$730 for all events

### **2015 Class Championships:**

This month six of our players will be competing in the club's 2015 Class Championships. We had deferred the championships in the hope that we'd be in a new location and could have our traditional time controls for the event. We've elected to proceed with the Class Championships.

The Club championships (for the Open section players) is tentatively scheduled for December. Many of our participants are on teams in the US Chess league which conflicts with our Tuesday night event.

### **Club relocation status:**

No change in status for our relocation efforts. We are continuing in our search for a location to lease.

We project that we will remain at our current location till at least the first of next year.
