Frank Wanemaker, our Treasurer, is anxiously awaiting your renewals. Please note - the dues have not increased. A single member, 18 years or over pays \$ 8.00; a single member 17 or under pays \$ 4.00. A family membership pays \$ 12.00

We are hopeful for the development of more activities such as the matches with Sudbury. Consideration has been given to such events as a chess match against the Norfolk Prison team; A simultaneous exhibition; Possibly an effort to field a team in an established league; and these are only a small part of the alternatives open to a club that is strong in the number of active supporters. In order to act on any of these activities, our active membership rolls must increase markedly. Your officers can only serve effectively when they can count on active members supporting the club activities. We will appreciate your assistance.

I am enclosing a survey form and respectfully ask that you complete the form and return it to The Square 67 Chess Club, P.O.Box 641, Framingham, Mass.01701. Your responses are the only means of determination your Board has to give you what you want.
