News:

Holiday considerations:

We **WILL** be playing **Thanksgiving eve**, November 27th, but we will **NOT** be playing **Christmas night**, December 25th.

Demographics:

Both Club and Regional demographics have been updated to be current through the end of October.

The complete set is on the MCC site under **FAQs, Demographics**

- <https://www.metrowestchess.org/website2/demographics.php>

Four new reports have been added to the collection, two each for both MACA events and CCA events (Continental Chess) who both hold regional weekend events. For each

organization you can now see in one report from the six New England states played in each event and in the other report a cross-tabulation of how many players by state.

An enhanced version of the existing reports for club attendance has been created for the Boylston and Wachusett (Fitchburg) club. These two clubs regularly have more than ten events a year. The enhancement is that players are grouped by tens of played events to get a better overview of participation.
