Largest Chess Club in New England

Serving Boston's MetroWest Chess Community Since 1983

News Flash:

Prizes being offered for first time since re-opening in 2023:

Prior to the Covid closing the MetroWest Chess Club offered four sections of play with each having prizes, every month. We could do this because our attendance was an average of 84 players for twelve years though it had dropped in few years before Covid to only 70 players. Since re-opening we have had an average of about 45 players in two sections but this has not allowed us offer prizes while keeping our entry fees as low as possible and paying our expenses.

We are offering prizes this month as a special treat for our faithful members and hope that we might induce some of those we haven't seen for a while to come back for a visit. If we see a sufficient increase in attendance we hope to be able to offer prizes again in July when there will again be five rounds of play in the month.

Prizes for our April 5-round event are:

- Open : \$120 : \$80 : \$60 Paid by PayPal few days after event
- U1700 : \$60 : \$40 : \$20 Paid by PayPal few days after event
 - Prizes are 100% guaranteed (not based on attendance)
