

MetroWest Chess Club

Largest Chess Club in New England

Serving Boston's MetroWest Chess Community Since 1983

News Flash:

Club Championships program Re-launched :

We re-opened the club in June of 2023 after being in hibernation for three years due to Covid but we didn't get around to reinstituting our Club Championships program. We have decided that it is time to re-launch the program. Even though we are half-way through the calendar year we'd like to have a Championship cycle this year and not wait till the end of 2027. To this end we have we have back-filled the qualification points for place finishers for the first half of the year.

We wanted to let you know that the program is now running and that your participation and performance for the rest of the year will work towards you earning an invitation.

There are two Championship titles at stake:

- The Club Champion: All players earn points towards this
- The Class Champion: For players 1700 after the last event is rated.

There is a separate prize fund for both the Club and Class sections .

- Details are available in the 2026 Championships Program FAQ on our FAQ page
 - We will leave a link to the document in the news section of the Home page.
- Points and Standings have a permanent link the home page

If you finished 1st through 4th in any of the events this year, then you have already earned points toward qualifying. Check out where you are in the standings..

Even though Round 1 has passed for August, you still have time to jump into the event at Round 2 with a half-point Bye and be in the running to place and earn points.

Registration is now open and play will begin the night of

Wednesday, August 5th, 2026

Register early so you won't forget!

Instructions on how to Register are on the club home page
