

The Rules for Player of the Year

The player who compiles the most game points in rated weeknight Club events at normal or action time limits during a calendar year will be declared Player of the Year.

For purposes of point compilation, players will be credited:

A full point	for a played win
A half point	for a played draw
A half point	for a forfeit win
A half point	for a full point bye
No points	for any half point byes

Ties among top Player of the Year candidates will be broken by best winning percentage.

Winning percentage is computed by points earned divided by the number of games on which these points are counted so forfeit wins and points from full point byes count as games played.

1998 POTY Alphabetical Listing																			
				As of:	30-Dec-98														
				Total possible points to date:	50														
Previous	Place	USCF #	First Name	Last Name	Points	Jan	Feb	Mar	Apr-May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
