The Club has re-opened !!

The club re-opened on July 5th with 33 players. As people arrived before the round, it felt like a big reunion as many returning players had not seen each other for a very long time. There were lots of smiles and lots of laughter. Most of the games went deep into the time control with several having exciting finishes near the three hour mark.

The **MCC home page** has links to all the things you need to know to start playing at the club. Please read the materials on the home page carefully.
