News:

Yes, we will be playing the night before the Fourth of July, **Wednesday July 3rd, 2024.**

- If you won't make it for the first round, you can still register now and Request a BYE for round 1.
 - This way you'll be in the projected pairings for round 2.

The club re-opened in June of 2023 after three years of being closed and we've now just completed our first year of being re-opened. For the first six months of being re-opened we averaged 45 players per event. For the most recent six months we've averaged 52 players each month.

When we re-launched the club we went to a completely online system for registration and it has been working out very well for us. We usually have the pairings ready five minutes after the close of registration at 7:15 pm, make announcements and the players are set up and ready to play by the time we give the start-your-clocks announcement at 7:30 pm.

We have an FAQ on our site if you are interested in learning more about using such a system.
